

The Soho Restaurants We Can't Live Without

David Burke Kitchen

Of all of David Burke's restaurants, Kitchen might be the most fun. Gingham and denim abound in the playful dining room, and for all of its higher-end fare, you can still order a bucket of beer to enjoy in the gorgeous outdoor space. The menu is full of hearty American farm favorites like lamb, ribeye, and chicken with arugula ravioli.

David Burke Kitchen, 23 Grand Street (at Sixth Avenue); 212-201-9119.
